(I kept quiet and lowered my eyes almost brooding as when a child is found to be doing the wrong things)

I, Yahweh asked you this;

Cast one look at me and you will understand why, my Lord. I am helpless and wretched. Your generous gift to me passes my understanding. You are confiding so many things to me but I am without counsel, without speech and I need Your help!*

pray to Me, invoke Me and you will get My help; live in Me, I am your God; one day, and that day is near, you will understand fully what you have been

* In Bangladesh I had no priest friend who helped me or advised me. A few friends shared, but were as ignorant in these matters as I was.

them, tell them how I feel for them;
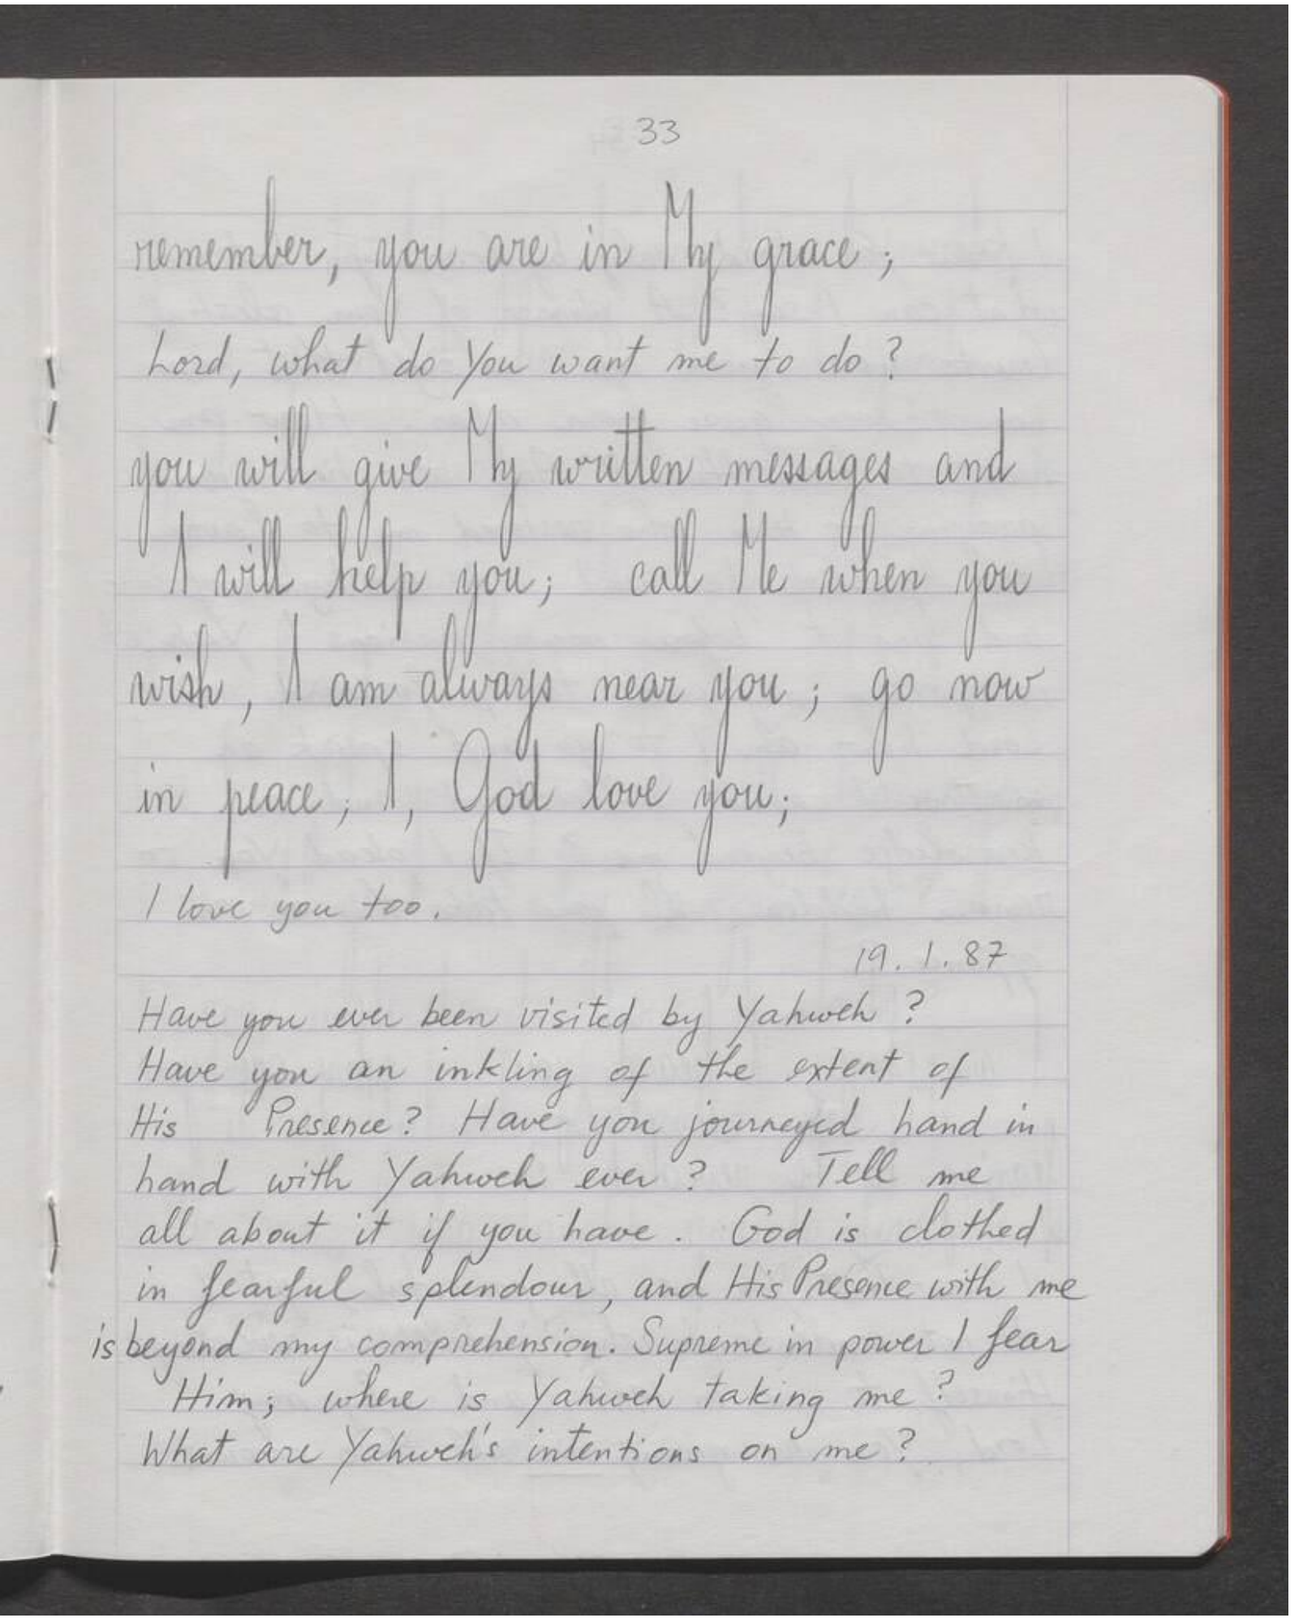
let them know of My love;*1

I will tell them Lord, I will....

stay near Me Vassula for I know how
you love Me,*1 teach them how to love Me;

*1 I can't explain in words the love God has
for us. While God was saying these words
He was feeling at the same time sad,
very sad. I felt sad that so much love is ignored
by us. *2 I felt Him need so much consolation.



33

remember, you are in My grace;

Lord, what do You want me to do?

you will give My written messages and
I will help you; call Me when you

I love you too.

19.1.87

Have you ever been visited by Yahweh?
Have you an inkling of the extent of
His Presence? Have you journeyed hand in
hand with Yahweh ever? Tell me
all about it if you have. God is clothed
in fearful splendour, and His Presence with me
is beyond my comprehension. Supreme in power I fear
Him; where is Yahweh taking me?
What are Yahweh's intentions on me?

I knew You Lord only by hearsay; but now what can I say? A glimse of Your celestial Courts were given me, a sight that man cannot even gaze from afar. How am I not to fear Him? And now here I am praying to Him who restored me to favour, to publish far and wide His hymn of love and sing it before many nations! Yahweh is opening my path to go forward. O Lord how am I to go and speak on matters I cannot understand and on knowledge beyond me? If I plead You to remain hidden will You take this as an offence?
I am here; I heard you .... why are you fearing to be revealed?
I know that You are all-powerful, yet I do not understand why Yahweh is revealing Himself to me in 1987, and why my Lord, You are giving me all these accounts.

I want to let you know how I work;

by dreams, visions and signs? I speak

I revived you so why do you fear?

Yes! I it is who taught you!
(Suddenly the veil which separated me from God was ripped off. Yes Jesus. The day of glory, what does it mean?

I will tell you: it will be the day when all the revelations will come to light; it will be when all that has been written by Me and My Father will come to light; the Truth will not be concealed; come, now* you are learning;

I, Jesus Christ, will augment My graces;

(I hesitated here).

Vassula, you are not different in My eyes;

But Jesus, I am different from others, who received messages from You. Most of them were religious already. They were nuns who were devout, but I, I am like the rest of the world. I do not fit in this picture!

you are thinking in human ways, child;
feel loved by Me;

(Then Jesus, hurrying up, said what follows. It was as though He wanted to tell me these things before I opened my mouth to add more stupidities.)

Here You are, in my room whispering a message in my ear, chosen out of thousands to be sent out to the nations with your love hymn, what can I ask more? although many will be confounded by Your choice, Your yearnings will win their hearts; You, who set out from Your Throne, leaving royal crown aside, You came down again this very minute to lift my soul from this exile. you; in all His sovereignty My Father
conveyed you to His servant Daniel* to

your Teacher, your Spouse and your God;
Vassula, listen to Me carefully now:
My Father has chosen you to be His
bearer; I have come to you in your nothing-
ness and revealed My Heart to you, blessing
you; in all His sovereignty My Father
conveyed you to His servant Daniel*[1] to
attract your attention; during this period,
when he held you fast, to bring you
to Us*[2], you were attacked; the devil know-
ing of My Plans, tried to discourage you,

*[1] My guardian angel. *[2] The Holy Trinity

in the beginning you had no love for Me;
yet I was near you all the time telling
you that I love you, but you were cold
and indifferent towards Me; afflicted by
untimely mourning My Heart ached with
sorrow; how was it that Our own child
would fall corrupting Our Image to that
extent? where had the beauty of Our
work gone? so that you see straight again
We*1 had to inflict on you the extreme
penalty of your rebellion*2; you sinned

*1 The Holy Trinity *2 He allowed Satan to attack me.
